

# Goodricke Inaugurated Tea Pot at Bhopal

After the successful operation of the Teapot in the DB Mall , for the last 7 years, Goodricke has decided to open another outlet on Bhopal's own picturesque Boat Club Road.

The cafe is decorated to give a patron the feeling of relaxation and rejuvenation. The beverage menu provides a customer with a plethora of tea options to choose from, from all across the country- while the food and snacks work as the perfect pair for an interesting conversation over a cup of tea. The cafe has been envisaged as a chain of stores which will give the opportunity to serve to our discerning customers our specialty teas straight from our gardens of Assam, Doars and Darjeeling , give the customer a ready access point to purchase our packet teas and at the same time highlight our heritage and unmatched expertise in the art of tea growing and production.

The café was inaugurated on 27.02.17 by the Managing Director , Mr.A.N.Singh who will be accompanied by Mr. V.S.C Senior General Manager and Head, Branded Tea Division.
