

Goodricke organizes the 5th Free Orthopedic Corrective Surgery Camp

We organized the 5th corrective surgery camp with respect to Congenital Talipes Equino Varus (CTEV) in our group hospital in collaboration with Howrah South Point, handicapped children's home in Jalpaiguri, West Bengal. The camp started on the 11th January, 2015 and ended on the 25th Jan'15. 56 patients aged between 4 months to 18 years from various places like West Salbari, Senpara, Ranicherra, Baintguri, Gopal bagan, Durga gaon (Jaigaon) from Jalpaiguri, Thunkirjhar, Cooch Behar and Darjeeling district have undergone the surgery. The surgery was performed by a team of doctors and nurses from Pro-interplast Australia led by Dr. Matthias Axt, Surgeon, West Mead Children's Hospital, Sydney, Australia and Dr. Anja Helmers from Berlin, Germany. The camp activities were greatly appreciated by the district health administration and a wide coverage was given by the local newspapers.
