Dear Binod Gurung ,

We have the pleasure to inform you that, following the Fairtrade audit on 21 Mar 2022, your organisation, Goodricke Group Ltd., is

FAIRTRADE CERTIFIED

for the following product(s): Tea.

This means that you can continue trading under Fairtrade conditions until the end of the present certification cycle, end date of which is indicated on your certificate.

(Please note that we might carry out further audits within the certification cycle to assure continued compliance with the Fairtrade Standards.)

To access and download your Fairtrade certificate or your audit results and related documents, please log into the Intact platform web portal (link referenced below).

- You will find your certificate under the tab *Certificate*.

- To access your audit results and related documents, go to the tab *Audit Status*, select the respective audit and click on *Documents* or *Audit Results*.

We recommend using the "*Operator contact search*" in the Intact platform regularly to ensure that your buyers and suppliers are also Fairtrade certified. You can also get automatically informed if the certification status of any trade partner changes, by setting this in FairMonitor. You can find our user guides at www.flocert.net/ecert-login/.

As a Fairtrade certified customer you will have to report and verify your traded volumes in our online reporting system Fairtrace. Our Customer Service Team will contact you shortly with further information on the reporting procedure as well as on how to use Fairtrace.

You can find useful information and news about Fairtrade certification on our website www.flocert.net, where you can moreover subscribe to our *Customer Newsletter* to be regularly updated about the latest changes in the Standards you have to comply with.

Certifier for

For any questions, please do not hesitate to get in touch with Arpana Basappa, your FLOCERT certification contact at a.basappa@flocert.net or + 91 80 41502929.

We wish you all the best for your continued Fairtrade business.

Kind regards,

Sugumar Raman
Director of Operations
FLOCERT GmbH
